MISSION

STATEMENT

CAMP ORIENTATION:
Monday, June 19, 2023 at
7pm via ZOOM

The Pointe! Dance Studio is dedicated to providing high quality instruction while inspiring and molding students into productive citizens. Our dancers are expected to work hard and concentrate on individual growth while learning to work as a team in a safe, positive, bully-free environment.

At TPDS, technique is the foundation for the development of creativity, self-esteem, discipline for all walks of life, and positive body image and awareness. Dancers simultaneously learn all these things and more while transforming into gifted students on and off the dance floor.
